

Lakewood Montessori Christian School

EST. 1986

School Health Questionnaire

To Parent/Guardian:

Please complete the information section below. The immunization record is available from your doctor. Return this form to the school upon registration or before start date.

Halton Region Health Department requires that:

- 1. Visit your family doctor to make sure your child's vaccines are up to date.
- 2. Report all vaccines your child has ever received to Halton Region Health Department. 4 ways to do this are:
 - Visit halton.ca
 - In person or by mail to the Halton Regional Centre 1151 Bronte Road in Oakville, L6M 3L1
 - Download the OneHalton app
 - Call 311

Child's Information

If you require further information, call the Halton Public Health Immunization Info line at 905.825.6000 or visit Halton Public Health online.
